DOMINION ORDERS IN COUNCIL.

P.C. No. 890.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 19th day of June, 1925.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 11th of February, 1890 (P.C. 2065/G), an arrangement was entered into with the Province of British Columbia for the administration of mineral lands in the Railway Belt in that Province, under the terms of which the Government of Canada undertook not to make any disposition of minerals in the Railway Belt (except coal) other than by

patent in fee simple of the lands in which such minerals were found, to the intent that the minerals in the said Belt, other than coal, should be administered under the mining laws of the Province:

And whereas this arrangement was afterwards modified so that the administration of petroleum and natural-gas rights in the Railway Belt remained with the Dominion Government:

And whereas under the agreement with the Province, when the recorded owner of a mineral claim has fulfilled the requirements of the "Mineral Act" of British Columbia, application is made by the Province of the Dominion for a grant of the surface rights and base metals:

And whereas the Minister of the Interior reports that on the 2nd November, 1891, letters patent were issued to Joseph William Mackay, of Kamloops, in the Province of British Columbia, conveying the surface rights and the deposit of iron underlying Legal Subdivisions 10, 11, 14, and 15 of Section 19 and part of Fractional Legal Subdivision 2 of Section 30, all in Township 20, Range 19, west of the 6th meridian, but reserving to the Crown all mines and minerals other than the said deposit of iron:

That the owners of the iron-deposit conveyed by the said letters patent found gold, silver, and copper intermingled with the iron ore; they, therefore, in compliance with the Provincial mining regulations, applied for a grant of the mineral rights other than iron, and the Province in turn made application to the Department of the Interior for the mineral rights excluded from the grant to Joseph William Mackay:

That it does not appear, however, that any provision exists for the transfer to the Province of mineral rights which are the property of the Dominion of Canada in cases where the surface rights have previously been disposed of; and it is represented that further development of the minerals in and under the land above described is being retarded until the owners of the surface rights and iron-ore deposit can secure the right to mine gold, silver, and copper:

Therefore, the Deputy of His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that the undisposed-of mines and minerals, except coal, petroleum, and natural gas, underlying the lands granted to Joseph William Mackay by the letters patent of the 2nd November, 1891, above referred to, be and the same are hereby vested in His Majesty King George the Fifth for the purposes of the Province of British Columbia.

(Signed) E. J. LEMAIRE,

Clerk of the Privy Council.

To the Honourable

The Minister of the Interior.
